

Amelie

Design: Cuno Frommherz

Description

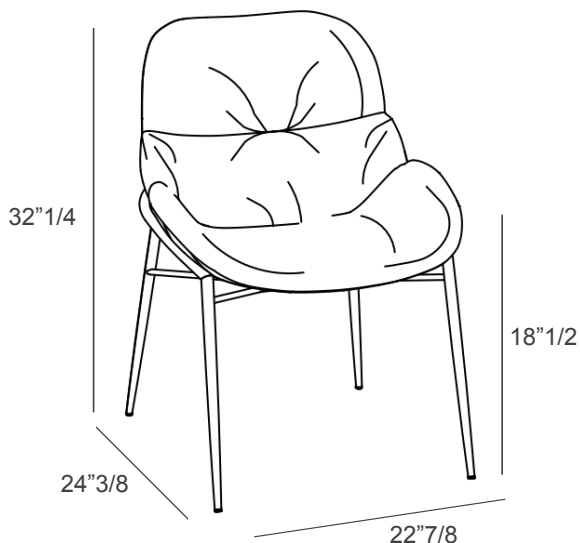

Amelie is an elegant and charming chair that exudes a casual yet embracing comfort, thanks to its finely curved, softly upholstered back and seat. The rounded, spindle legs lend a lightness to its generous proportions, softening its silhouette and adding a touch of refinement. With its international appeal, Amelie seamlessly complements any setting, from the dining room to the living room and the studio, making it an essential piece for any stylish interior. Made in Italy.
