

Podium

Design: Shannon Sadler

Description

Solemn and with a strong visual impact, Podium captures attention for its sinuous but austere lines. The top lays on a solid and elegant concrete base, a distinctive feature of a sculpture table with a strong personality. This high-end table is suitable for any room, thanks to its wide selection of customizable top finishes and shapes.

Its practical extension mechanism allows the table to expand, revealing neatly folded leaves for a quick transformation into a larger surface.

Made in Italy.
