

Him & her

Design: Fabio Novembre

Description

The unique Him & Her chair crafted from premium rotationally mass-dyed molded polyethylene. Their shape derives from the three-dimensional scanning of two plaster sculptures. "Him & Her are born directly from the ideas behind the Panton Chair. An evolution of the hermaphroditic original, declined into the harmony of the two sexes. They assume sculpted forms like naked models of seduction but they are not ashamed." Cit. Fabio Novembre. Made in Italy.
