

Kant

Design: Karim Rashid

Description

The elegant Kant stool is inspired by the words of the philosopher, that blurs the lines between art and nature. Produced in recyclable reinforced polypropylene, Kant has a carrying capacity of up to 200 kg/440 lbs. of weight despite its characteristic cantilevered construction. Suitable for both domestic and contract environments. The lift version It's supplied with a gas lift, and the base and the footrest are crafted from die-cast aluminum. Made in Italy.
