

Kouch

Design: Karim Rashid

Description

The unique Kouch Sofa. This piece of modern furniture comes with a voluptuous, organic and ergonomic shape. Made of fire-retardant cold foam with internal metal structure and completely covered in premium fabric or leather that cannot be removed. "I have taken a great interest in organic form for the last 20 years. I feel a desirous need to soften the commodity landscape as our lives become more casual and relaxed. I want to be enveloped by my Kouch!" Cit. Karim Rashid. Made in Italy.
