

Lepel

Design: Luca Nichetto

Description

The elegant Lepel armchair comes fully upholstered in premium fabric or leather. The craftsmanship and the ability to customize the finish – from the fabrics used, the stitching at sight – makes this chair unique of its kind. Lepel means spoon in Afrikaans: this is the function of the backrests, to contain and to support the seat like a spoon. Made in Italy.

Finishes & Materials

Cover: Fabric or leather.
