

Elf

Design: Gordon Guillaumier

Description

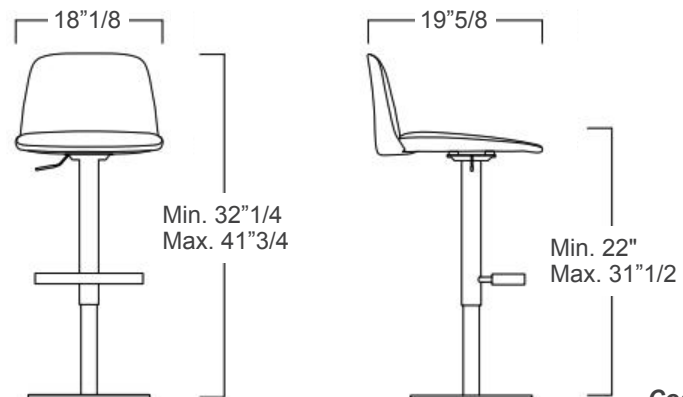

Elf is an adjustable-height stool, designed by Gordon Guillaumier, the Maltese designer that masterfully designs one of Frag's most popular types of furniture, creating an object made of new sinuosity and an extremely contemporary taste. This high-end stool maintains a rigorous profile without sacrificing comfort, thanks to the soft upholstery. Elf is available in different types of upholstery adapting perfectly to different needs and contexts. Made in Italy.
