

# J-Table

*Design: Jean-François Gomrée*

## *Description*

The elegant J-Table desk features a leg playing with asymmetric orthogonal lines that can be used as a bookcase. Full of personality despite its formal rigor, this table can be included in multiple space configurations, including those of home or working environments. This piece of furniture comes with the top in & leg in white laminate veneered MDF and the bookcase in premium solid wood. Made in Italy.
