

# Marien

*Design: Marco Piva*

## *Description*

The luxury Marien table is an embodiment of style and elegance, exuding a strong personality thanks to a blend of unique elements. Its imposing base rises upward to seamlessly support the perfectly nestled tabletop within a subtle perimeter edge, much like Marienplatz, the vibrant heart of Munich, immersed in the distinctive and unmistakable atmosphere of Bavaria. The Marien table comes in three different sizes, and the tabletop can be crafted from marble, Fenix, or back-painted glass. Made in Italy..
