

# Marina

*Design: Renato Zamberlan*

## *Description*

The charming Marina side table and coffee table is a family whose essence lies in the harmonious disproportion between cylindrical high-end walnut legs and a strict premium marble top. The forms are inspired by the 'Marine' paintings of the Venetian artist Virgilio Guidi, in which the master can evoke a lagoon landscape with few and seemingly simple strokes, the result of a synthesis that leans towards abstraction. Made in Italy.
