

## SC2

*Design: Studio Contromano*

### *Description*

The elegant SC2 lounge chair perfectly embodies a famous maxim by Bruno Munari: "Complication is easy, simplification is difficult." SC2 is designed around a black painted tubular cage, adorned with Canaletto walnut details, over which the leather of the armrests and backrest is stretched: a structure with a linear design that houses a seat with soft and inviting cushions available in both leather and fabric options.
