

Tango

Design: Renato Zamberlan and Joe Doucet

Description

The luxury Tango table is an elegant and versatile piece of furniture available in 16 sizes. Moving around the table, an asymmetrical change in the shape of the legs makes them look as if they are dancing sinuously. These details combined with a clever use of innovative premium materials such as Fenix, make Tango a functional product with a universal design. Made in Italy.

Finishes & Materials

Top: Fenix.

Legs: Wood.
