

# Tide

*Design: Karim Rashid*

## *Description*

The elegant Tide sideboard reflects the style of its designer, Karim Rashid, who worked with various movements and dynamics in this project. The horizontal development of the front, made of evenly-spaced, thin sheets of MDF, confers a gentle and sculptured aspect to the whole. In addition to its remarkable design, Tide appears as a capacious and functional cupboard, with two drawers and a flap front for the living room. Made in Italy.
