

Torii

Design: Renato Zamberlan

Description

The elegant Torii Sideboard gracefully performs the dual role of showcasing and safeguarding the most precious items. With its internal glass shelves and LED lights, every detail is meticulously crafted to accentuate the contents of this exquisite cabinet. In adhering to this stylistic choice, Torii transcends its mere function as furniture, becoming an invitation to celebrate beauty and order in daily life while simultaneously adding a touch of refinement to the living space décor. 2 Pin europlug to 2 pin USA for shelves LED light included. Made in Italy.
