

# Trafalgar

*Design: Marco Piva*

## *Description*

The distinctive shape of the elegant Trafalgar table consists of a top with beveled corners and a sturdy wooden base with metallic inserts, clearly inspired by Admiral Nelson's column in the eponymous square in London. The table is available in two different sizes, and the top can be crafted from wood, marble, Fenix, or back-painted glass. Made in Italy.

## *Finishes & Materials*
