

## Wing Tip

*Design: Anderssen & Voll*

### Description

Lounge chair based on the principles of sustainability, from its shell made of a single recyclable material to its upholstery, without the use of glues, which envelops and protects. The shell is made of polyurethane upholstered with injected polyurethane fire retardant foam and covered with fabric, soft leather or eco-leather. It features a 4-star swivel base in aluminum powder coated. Optional tilting device (-4°+7° without handle) and self returning mechanism. Glides in polythene. Footrest available upon request.

Perfect to relax before a trip or a meeting. With its elegant and discreet volumes, it's also ideal for waiting at an airport, in a museum, restaurant, office or home. Made in Italy.
