

Applique Cylindrique Petite

Design: Charlotte Perriand

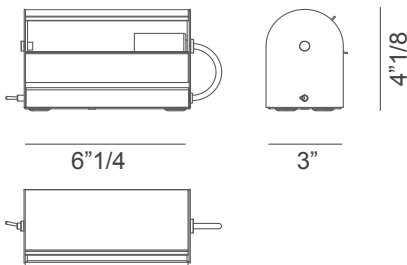

Description

Designed by Charlotte Perriand for her mountain chalet Le Vieux Matelot, Applique Cylindrique is a design that dates back to the early 1930s. Her interest in pivoting screens reflects her observation on human gestures: a simple touch allows to direct the lampshade and to control the light beam, making it possible to adjust intensity and direction. Made in Italy.

Dimensions

6"1/4W x 4"1/8D x 3"H

Source	E12
Total power	40W
Emission	Indirect
Switching	Dimmable according to bulb, switch on board
Tension	120V
IP class	20
Materials	Aluminum, methacrylate
Notes	Orientable, square cover plate included
