Monoplauto

Description

Defined by an imposing monolithic silhouette and refined geometric proportions, this table brings an architectural presence to contemporary dining and gathering spaces. Its perfectly circular top is grounded by a single, sculpted pedestal base with soft faceted contours, creating an engaging dialogue between pure geometry and grounded solidity.

A distinguished expression of luxury italian furniture, this piece embodies the quiet strength and balance characteristic of mastercrafted designer furniture.

Made in Italy.

Finishes & Materials

Top: Wood or Porcelain stoneware.
Base: Wood.
