

Iceberg

Design: Federico Peri

Description

Inspired by fragments of rock breaking away from glaciers and floating serenely on water, Iceberg brings this natural harmony into your living space.

This high-end coffee table consists of multiple overlapping elements, in varying shapes, sizes, and heights, evoking the tranquil beauty of scattered islands.

Crafted from diverse materials and enriched with contrasting colors, Iceberg creates a dynamic interplay of textures and tones, achieving a perfect balance. A centerpiece that transforms any living room into a serene yet captivating oasis.

The thickness of the top varies depending on the material, altering the height.

Made in Italy.

Finishes & Materials
