

Sun

Design: Marco Fumagalli

Description

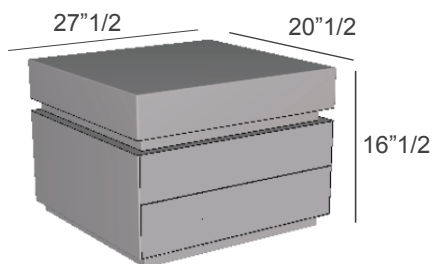

Sun stands out as a true original. With clean square lines and a minimalist design, it is fully upholstered in Leather for a sleek, sophisticated look.

The drawer is provided with a soft-closing system and along the upper perimeter of the drawer edge there is a LED strip with touch lighting system. Its illuminated edges on all sides define its shape, ensuring it remains a striking presence—even in the dark.

Made in Italy.
