

## Auki

*Design: Hee Welling*

### *Description*

Lounge chair with internal metal frame upholstered with fire-retardant moulded polyurethane foam and covered with fabric, soft leather or eco-leather. A wide choice of base supports are offered:

- . With four legged base in matt chromed metal or powder coated. Glides in nylon with felt.
- . With four legged base in solid ash wood in several finishes. Glides in nylon with felt.
- . 4-star swivel base in aluminum powder coated, also available with return-mechanism of the seat. Glides in polythene.
- . Round metal swivel base covered by a stainless steel sheet or powder coated, also available with return-mechanism of the seat. Felt under the base.

There are moments during the day that go beyond a right angle and that seek the sinuous embracing line that supports and relaxes the body. These are moments for the Auki lounge chair. Just like a shell, its curved shape gently opens up to create a subtle armrest. Ideal for embellishing a living room in the home, a waiting room or a work area. Made in Italy.
