

# Fork

*Design: Tomoya Tabuchi*

## Description

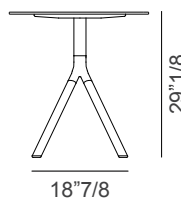

Bistro table with base composed of aluminum drawn tube with elliptical section and a 4-way connection in die-cast recycled aluminum powder coated polyester. Legs in aluminum extrusion. Adjustable knurled glides in nylon. Its HPL laminate top is available in different sizes.

Fork table pays homage to the combination of Italian craftsmanship and Japanese minimalism. It has a highly functional round or square top and legs inspired by the branches of a tree. Like a tree towering in a forest, Fork is the ideal table for all outdoor meetings, in the beautiful setting of a modern café or restaurant. Made in Italy. Made in Italy.
