

Kipu

Design: Anderssen & Voll

Description

Rounded triangular shaped ottoman: a highly versatile multi-function piece of furniture. Fire-retardant moulded polyurethane foam double density and polyester fiber on a plywood base, covered with removable fabric, soft leather or eco-leather. Glides in polypropylene.

Minimum dimensions, maximum comfort. In its smallest size, KIPU is a comfortable and versatile ottoman ideal for furnishing lounge areas or for complementing the living space of the home. It is a small, vibrant and dynamic colored “pebble” that can be used as a top and a seat. The mini version of KIPU can be combined with five other available sizes. In its medium-sized version, Kipu is an excellently complement to a dynamic and lively environment and in its largest version, it becomes a comfortable seat ideal also for relaxing.

Chatting, working and even relaxing: thanks to its different sizes and exceptionally comfortable materials, the Kipu ottoman can be adapted to meet various needs, in a variety of contexts and at different times of the day. Made in Italy.
