### *Description*

Table with a sturdy structure and elegant lines. The wood or HPL Fenix® top is available in a rectangular, square or round version. Thanks to existing holes, the slanted legs, in bent powder coated metal and solid ash wood, can be assembled in different positions to guarantee the ideal version for each context. Glides in felt. Available in two different heights, 29" 1/8H or 42" 1/2H.

An interesting and versatile solution for contract environments but also perfect as a dining table for the home. A sturdy and elegant table for all occasions. Made in Italy.
