

Plus

Design: Francesco Rota

Description

Sectional in polyurethane foam with variation in density and polyester fiber, all fire-retardant, covered with removable fabric, leather or eco-leather. Internal base in plywood with plastic springs and a metal frame where die-cast aluminum brackets can be inserted to link each element. Optional decorative cushions.

With an interplay of concave and convex shapes, the original Plus modular sofa provides different configurations and comfort. Perfect for large spaces and private interiors. Made in Italy.
