Design: Francesco Rota

Description

Side table in plywood veneered with bleached oak or black open-pore stained oak covering. Also available in Fenix® 3/8" HPL in several colors. Glides in plastic.

Between one module and the next, or at the end, aligned with the seat either on the short or long side or just as a coffee table in the middle of the room, this low table complements any sofa, housing a small collection of books or objects in the open spaces of its architectural design. Made in Italy.
