

A3

Design: Marco Pozzoli / Giacomo Mauri

Description

Extendable wooden console with 5 extensions placed in the structure. Aluminum telescopic mechanism with swiveling central leg supporting the mechanism while open. Castors under the legs to simplify the movement. Locking system positioned on front legs.

The world's largest console table is only 15"3/4 deep! A3 becomes a dining table that can seat up to 14 guests. The 5 extensions are enclosed in the central swivel leg, which guarantees a high level of seating comfort for everyone. Made in Italy.
