

BOX

Design: Studio Ozeta

Description

Transformable coffee table that turns into a dining table. Metal base, gas lifting device. Adjustable at any height, hidden wheels, inside extensions: in melamine for glass and Marble Glass top and in wood for wooden top. Synchronized telescopic extension mechanism.

The top seller “Box” is renewed through the precious Marble Glass finishing. Iconic and multifunctional, this transformable table with an essential appearance is the beating heart of domestic conviviality. Extensions cleverly hidden inside the top, synchronized telescopic opening, millimeter-assisted lift with gas piston and hidden wheels for an easy movement in the living area. Made in Italy.
