

# Random

*Design: Giulio Manzoni*

## *Description*

Fixed dining table with metal tube base, designed with welds and screw joints. Height-adjustable feet. Wide range of tops in different sizes, shapes and finishes.

A design object stands out against the background of your living room or dining room. Random is the main-character table of a contemporary lifestyle. The diagonal legs create a geometric pattern that rises up to the top: a light and eclectic base that can take on different shapes and styles based on the mood of your space. Made in Italy.
