

# Barcelona & Barceloneta

*Design: Bosco Faur*

## *Description*

Architecture in miniature, a tribute to the purity of early modernism. The Barcelona coffee table is extremely rigorous in its composition, with vertical elements in marble or wood and top and base in all the woods in the collection. Available in various sizes, both square and rectangular. Also available in the smaller Barceloneta version that can be used as a side table. Made in Italy.

## Barcelona & Barceloneta
