

Discoteca

Design: Bosco Fair

Description

A round table available in four different sizes, with a transparent glass top and mirrored Lazy Susan supported on a base of irregularly spaced brass legs of different diameters, available in three color combinations; bronze finished legs with bronze glass top, black nickel legs with a fumé glass top, and, only in the smaller sizes, the Dragonfly version with a blue glass top resting on turquoise and gold colored legs. All tables have an optional matching Lazy Susan in mirror. This piece is a joyful, hedonistic tribute to music from another time. Made in Italy.
