

# Lola Royale

*Design: Bosco Fair & Emanuele Genuizzi*

## Description

Lola Royale is available as a simple chair or with the elegantly curving back extending into the arms. Internal frame and legs are made of beech wood. Frame upholstery in shaped polyurethane.

A refined chair where the external part presents a sober appearance covered in leather, also covering the legs, while the internal part (backrest and seat) is upholstered in a contrasting luxury fabric from the Casa Casati collection. Made in Italy.
