

# Mirage

*Design: Bosco Fair*

## Description

A set of circular side tables, available in different heights and diameters. Three thin metal legs that taper to a point, a slight reference to the 1950s, support a thin metal disc, on which rests, in perfect balance, a marble or mirror top with a conical edge.

The variety of finishes presented and the richness of the metal finishes of the legs, available from light and dark bronze to gold, silver and black nickel, allow for a large number of combinations, from a minimalist and monochromatic interpretation to more expressive and decorative ones. Made in Italy.
