

Splendo

Design: Bosco Fair & Emanuele Genuizzi

Description

Exclusive rectangular floor mirror in a giant size that has a seemingly traditional style, but brought up to date by the rounded corners of the clear glass mirror floating on a refined pure gold leaf (22 kt) background held in a formal wooden frame.

The floating quality of the mirror is accentuated by a dimmable LED lighting system (2700K) which shines on the gold leaf, creating a wonderful glow. The back panel is lacquered in matt Casa Casati's Orange, like all pieces of the brand. Made in Italy.
