

Oscar

Design: Stefano Conficconi

Description

Every piece of Oscar holds a profound meaning, embodying a floating world where the present is ever-changing, destined to evolve with the future. Its design is a testament to simplicity and precision—a clear, functional volume defined by sharp lines and right angles.

The metal base features chromed details, adding a touch of prestige to this refined piece. Leather bands at the base, customizable in a wide range of colors, create a captivating interplay of hues, elevating Oscar into a statement piece for any sophisticated room.

Made in Italy.
