Design: Maurizio Manzoni

Description

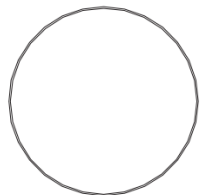

Seed is the bridge between past and future, a symbol of timeless elegance and forward-thinking design. Deeply rooted in glamour, this ottoman is the seed that has flourished in the fertile ground of modernism, blossoming into a vision of absolute comfort. A harmonious blend of sobriety and personality, Seed is a singular piece capable of elevating the character of any room.

Its striking duality surprises and delights, seamlessly merging the essence of the ancient with the cutting-edge appeal of the ultra-modern. Made in Italy.
