

Ellington

Design: Ludovica + Roberto Palomba

Description

Ellington is one of the five families of the sectional sofa collection designed by Ludovica +Roberto Palomba. The aluminum frame, light and ecological, on which all the padded elements are inserted, is the distinctive feature and the common denominator of the collection, expression of the high tailoring craftsmanship of Made in Italy. The various types of seat and padding at different heights of bearing capacity are designed to ensure maximum comfort. Ellington, with its well-proportioned volumes, represents the most classic and reassuring type of sofa. Back cushions included, decorative cushions NOT included. Made in Italy.
