

Atena - Demetra

Design: Studio Ozeta

Description

Fully upholstered armchair in various finishes with quilted backrest interior. Available with fixed plywood base, oak veneered (Atena) and with swivel upholstered base with return spring (Demetra).

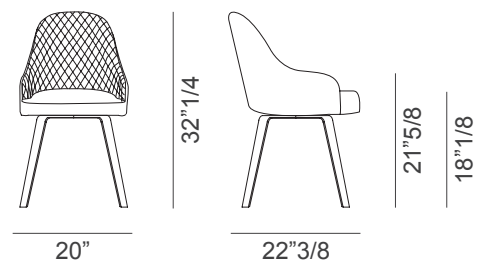

Design elements capable of provoking a pleasant sensory contrast, thanks to the union of the delicate finishes of the seat and the slender structure of the base. Contemporaneity and perfection of proportions define its character, its ability to be durable against trends alternation. Made in Italy.
