

Atollo

Design: Andrea Lucatello

Description

Suspension lamp with adjustable wooden structure. It can be combined with various elements, including the Ring Light luminaire.

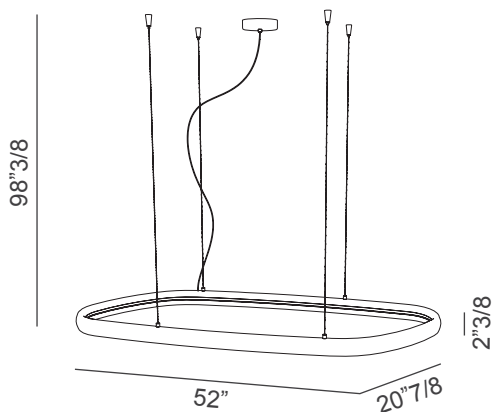

The apparent formal simplicity becomes the standout element of every home. These light fixtures can take the form of a perfect circle or a sinuous line that folds in on itself. From the solid wood profile, a ring of light finds its way, illuminating the space uniformly and ensuring optimal visual comfort to meet any project requirements. Made in Italy.
