*Design: Studio Ozeta*

### *Description*

Dining table with new synchronized table top elongation mechanism. The lifting of the extension is facilitated by a rail integrated in the casing. Painted metal base.

A table with a strong personality and soft lines that hide an exceptional performance. Its natural combination is with chairs characterize by soft and enveloping lines. The bases embellish the precious tops in ceramic or anti-fingerprint glass. Equipped with an internal extension to accommodate up to 10 people. Made in Italy.
