Design: Marco Pozzoli

Description

Gas lift stools with metal base. Fully upholstered seat available in various finishes.

An harmonious dance of contours, soft lines, and plush fabrics defines this line of upholstered stools. Smooth surfaces are caressed by fine tone-on-tone stitching that adds a touch of refinement to the seat. Different possibilities for support and finishes personalize the proposals, creating an excellent solution to add a touch of elegance to one's home. Made in Italy.
