

Fi8

Design: Giulio Manzoni

Description

Fixed dining table with metal rods base and height-adjustable feet. Wide range of fixed tops in different sizes, shapes and finishes.

A best-selling table that doesn't need any introduction. The lightness and interweaving of the metal wire base catch the eye and direct us towards the thin but precious top, available in wood, concrete, Marble Glass and ceramic. As eclectic as refined, it always offers different glimpses depending on the point of view. Made in Italy.
