

Jolly

Design: Giulio Manzoni

Description

Transformable coffee table that turns into a dining table.
Wooden top, extensions and legs, gas lifting device.
Adjustable at any height.

Jolly is a transformable coffee table with a crossed wooden base that blends into the living area thanks to the matching finish of the top. An ideal combination for convivial spaces, also given the ease of opening with extension hidden in the top that allows extension up to 69"5/8. Made in Italy.
