

## Kony

*Design: Studio Ozeta*

### *Description*

Side table with metal base available in two heights and round tops in various finishes.

Let us now admire Kony, a dance of shapes: a gentle conical base, sumptuously paired with a rigorous circular top. The colors of the different materials blend together, giving a rare harmony that can be accentuated by combining multiple tables, even of different heights. A graceful dance, a delicate exchange between the parts, meeting like two lovers suspended in eternity. Made in Italy.
