

Malibù

Design: Massimiliano Mornati & Marco Pozzoli

Description

Side table, adjustable in height, with 360° top rotation. Metal top, column and drawer in closed-pore lacquer. Available in SX and DX versions.

A discreet yet elegant presence, surrounded by clean and minimal lines. Designed to complete the bedroom, the Malibù side table also fits perfectly in the living room, thanks to its top adjustable in height. Upon closer inspection, it reveals a practical drawer that ensures maximum utility without sacrificing aesthetics. Made in Italy.
