

## Manga

*Design: Studio Ozeta*

### *Description*

Two-sided and self-supporting bookcase. Dividers in wood finish or matt lacquered open pore. metal uprights and shelves. Available in two sizes.

Manga is a sculpture made of geometries, a perfect mix of materials interpreted with irony in a skillful interplay of thicknesses. Its shelves elongate and fit together, creating a visually light yet solid structure, while the openings allow it to connect with the surrounding environment. Made in Italy.
