

Marlon - Morfeo - Morris

Design: Marco Pozzoli

Description

Gas lift stools with metal base. Fully upholstered seat available in various finishes.

Marlon, Morfeo and Morris are stools with a cozy padded seat and stitching that reveals their soft covering. They are ideal for use in the living room or as a complement to decorate the kitchen peninsula. Available in a wide range of colors, they are easy to match, as they can give the environment a feeling of calm relaxation. Made in Italy.
