

Piquet - Nemo - Boris

Design: Studio Ozeta

Description

Gas lift stools with swivel metal base. Fully upholstered seat with armrests in various finishes.

The perfect combination of quality and style embodied in a stool. The wide seat is resistant to wear and guarantees unparalleled comfort, providing the perfect support for relaxation. The different shades of the coverings invite you to enter a world of well-being, where problems and worries seem to disappear for a few moments. Made in Italy.
