

Raggio

Design: Luca Roccadadria

Description

Back-silvered mirror with bush-hammered glass frame. Available in square and rectangular versions.

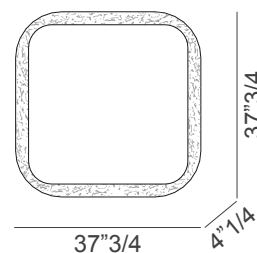

Particular and sophisticated, Raggio is a mirror that expresses itself through the simplicity of its forms and the quality of its craftsmanship. The beveled frame, made of etched and back-silvered glass, enhances its majesty and invites tactile interaction. Its richness in details imbues the environment with a refined atmosphere, while its colors create an unforgettable visual experience. Made in Italy.
