

Selena - Siria

Design: Marco Pozzoli

Description

Fully upholstered chair in various finishes. Available with fixed plywood base, oak veneered (Selena) and with swivel upholstered base with return spring (Siria).

A family of armchairs with a soft and cosy seat, presented with different covers. The seams on the backrest design the shapes and let the softness shine through. Different bases, both in design and material, offer multiple possibilities of combinations to satisfy every environment and circumstance. Made in Italy.
